

A Touchstone Energy® Cooperative 

Subject: Idle Service Retirement Agreement

Concerning this service: Name: _____
Account #: _____
Location #: _____
Address: _____

I would like to take one of the following actions:

Option 1: I don't own this land, and to the best of my knowledge, the landowner is:

whose mailing address is: _____.

Option 2: I do own this land, and I hereby authorize DMEA to retire the service as I have no further use of it. I understand retiring the service may include removal of transformer, meter loop, pole, wire, etc., all at DMEA expense. I also understand per DMEA Policies, once a service is retired (abandoned) and the same property owner later desires service to be restored at the same or similar location, they must pay 100% of the new construction costs, in advance.

Option 3: I do own this land and I wish to retain the service at the above location for future use.

I understand there will be a monthly charge for Idle Services that are not retired or put back into service, at this address:
