

A Touchstone Energy® Cooperative 

Community Sponsorship Application

Delta-Montrose Electric Association (DMEA) is proud to support the communities we serve through our Community Sponsorship Application. Our sponsorship funds are used to build awareness of DMEA in our local communities while supporting worthwhile events and organizations. This is not a charitable donation fund. If your organization is looking for a charitable donation, please apply to DMEA's Operation Round Up program.

To be eligible for funding, your event must support education, economic development, community investment/enrichment, or arts/culture. Funds will not be given to individuals, political causes/organizations, or religious causes/organizations.

Return completed for to rachael.derossi@dmea.com
OR mail to: DMEA, Attention Rachael DeRossi, P.O. Box 910, Montrose, CO 81402
